

Source: TV Line Speaking to TV Line, Tal had the following to say about FX's upcoming adaption of the Brian Michael Bendis comic, Powers: TVLINE | What can you say about your FX pilot Powers? Are you part of the regular cast if gets picked up? Yes, I am. If anybody doesn't know Powers, look it up because it's a wonderful comic by Brian Michael Bendis. Powers is basically a cop drama set in a world where people have powers. These people have different levels of powers. ... I'm playing one of the very powerful ones. I play Zora. She's lived for thousands of years. She's very strong. Very badass. Doesn't give an eff about anybody. She's not trying to be liked by anybody. [It's a] very gritty pilot. Jason Patric's in it. Vinnie Jones is in it. Lucy Punch is in it. We have some really, really, really good people in this pilot,
