

Thanks to Digital Spy, below is what Alona Tal says via her Twitter account despite not revealing what role she is going to fill: "I want you all to be the first to know I am a part of a new pilot for FX called Powers". Alona Tal is best known for portraying the hunter Jo Harvelle in Supernatural, and has also starred in Veronica Mars among other television appearances. Update: While there is not yet any official confirmation, Brian Michael Bendis himself tweeted the following: Alona Tal joins 'Powers' pilot. i'll confirm it's...ZORA. BOOM! For a bit information, Zora is a power who appeared to have immortality and possesses a greater capacity for memory. While thanks to the writer himself, Brian M. Bendis, who posted the not much revealing set image via his Twitter account during his visit to the set: Broadcasting live from the Huge set of the powers police department!! First look!! What do
