

Before Star-Lord and the rest of the Guardians of the Galaxy were given a makeover, the hero wore a helmet which looked a lot older than the current iteration along with a costume which was a tad more traditional. In a new batch of concept art released by Marvel Studios artist Andy Park, it's clear to see that these designs were influenced by that suit as well as providing an exciting/unique new take on it. None of the team's costumes have been drastically updated for Guardians of the Galaxy Vol. 2, so it's unlikely we'll see Star-Lord rocking this look at any point in the near future. However, there's a chance that the Russo Brothers could give him and the team a new look in Avengers: Infinity War, but time will tell on that front. Do you guys think Peter Quill should have been wearing a suit like this one in 2014? And here's the entire look at the early pass at Starlord I
