

As the release of The Hobbit: An Unexpected Journey draws near, Weta have unveiled the first wave of their impressive (and pricey) props from Peter Jackson's highly anticipated return to Middle-Earth. As you can see from the images below, these range from actual replicas to statues and art prints. More details on each item - including how exactly you can go about getting your hands on them - can be found by clicking on the link at the bottom of the page. Many thanks to Twitter's @JonasRJakobsen for the heads up. Click on the images below to view the full-size versions.
