

Conceptual artist Craig Shoji, who had the opportunity to work on Marvel & Kenneth Branagh's epic adventure THOR, has unloaded several conceptual art pieces from the well-received film, revealing amazing initial designs for the Asgard, & more! [Click Images To Enlarge]

Thor spans the Marvel Universe from present day Earth to the realm of Asgard. At the center of the story is The Mighty Thor, a powerful but arrogant warrior whose reckless actions reignite an ancient war. Thor is cast down to Earth and forced to live among humans as punishment. Once here, Thor learns what it takes to be a true hero when the most dangerous villain of his world sends the darkest forces
