

Whenever a rough date for the release of a trailer finds its way online, as it did for The Amazing Spider-Man earlier today courtesy of director Marc Webb, it is not unusual to then find an onslaught of "scoops" and downright guesses as to when exactly it will be available to watch. Rama's SCREEN has a fairly convincing report on when we might see the trailer, reportedly hearing the information directly from someone "in the industry" who recently met with Sony. According to the site, the trailer will be released online on February 9th and attached to both Journey 2: The Mysterious Island and The Vow. Take it with a pinch of salt for now and sound off with your thoughts in the usual place. STARRING: Andrew Garfield as Peter Parker/Spider-Man Emma Stone as Gwen Stacy Rhys Ifans as Curt Connors/The Lizard Martin Sheen as Uncle Ben Sally Fields as Aunt May Denis Leary as George Stacy RELEASE DATE:
