

Even though its release is still over a month away, with near-universal acclaim from critics, thanks to a variety of film festival screenings, Denis Villeneuve's *Arrival* has already staked its claim as one of the best films of the year! We have two cool new character posters, courtesy of IGN, featuring two of the film's stars, Amy Adams (*Justice League*) & Jeremy Renner (*Captain America: Civil War*) as they look into the great beyond and presumably welcome Earth's new alien visitors. Check out the posters below:

ARRIVAL is a provocative science fiction thriller from acclaimed director Denis Villeneuve (*SICARIO*, *PRISONERS*). When mysterious spacecraft touch down across the globe, an elite team — lead by expert linguist Louise Banks (Amy Adams) — are brought together to investigate. As mankind teeters on the verge of global war, Banks and the team race against time for answers — and to find them, she will take a chance that could threaten her life, and quite possibly humanity.

Arrival features:
Director: Denis Villeneuve
Amy Adams as Dr.
