

"Why are they here?" That seems to be the million-dollar question on everyone seems to be asking in Denis Villeneuve's upcoming sci-fi drama Arrival, which stars 5x Academy Award-nominee Amy Adams (Justice League) in the lead with a supporting cast featuring 2x Academy Award-nominee Jeremy Renner (Captain America: Civil War) & Academy Award-winner Forest Whitaker (Rogue One: A Star Wars Story). The film premiered at the Venice Film Festival early last month to rave reviews and continued to impress at subsequent screenings at the Toronto International Film Festival & the Telluride Film Festival. Many are now are expecting it to be a major player come awards season with Adams & Villeneuve leading the charge and potentially taking home multiple gold statuettes. We have three new stills for you, check them out below:

ARRIVAL is a provocative science fiction thriller from acclaimed director Denis Villeneuve (SICARIO, PRISONERS). When mysterious spacecraft touch down across the globe, an elite team — lead by expert linguist Louise Banks (Amy Adams) — are brought
