

Critics have been heaping praise on Denis Villeneuve's Arrival ever since it premiered at various film festivals back in September and now, the world is less than a week away from getting to witness the sci-fi masterpiece for themselves. The feature stars 5x Academy Award-nominee Amy Adams (Justice League) as expert linguist Louise Banks, who must learn to communicate with an alien species to prevent an all-out global war, with a supporting cast that includes 2x Academy Award-nominee Jeremy Renner (Avengers: Infinity War), Academy Award-winner Forest Whitaker (Black Panther), Golden Globe-nominee Michael Stuhlbarg (Doctor Strange), and Tzi Ma (24). Here are the first two intense clips:  Plus, check out forty-two amazing new stills in full hi-resolution below:

ARRIVAL is a provocative science fiction thriller from acclaimed director Denis Villeneuve (SICARIO, PRISONERS). When mysterious spacecraft touch down across the globe, an elite team — lead by expert linguist Louise Banks (Amy Adams) — are brought together to investigate. As mankind teeters on the verge of global war, Banks and the
