

As Agents of S.H.I.E.L.D. prepares to transition from muscle car driving Spirits of Vengeance to rebelling androids, fans around the globe are all posting their own theories on reddit and social media about Agent May and her Life Model Decoy copy. Just how long has the real May been out of commission? Since the Ghost sickness or even earlier? Ming-Na Wen teases that the main question that needs to be answered is, "What is Radcliffe's motivation?" — not so much Aida's — because he's the taskmaster in this whole scheme of changing out May for the LMD May. Is [his agenda] for something good ... or is he the mad scientist hoping to advance science? I don't think he went through all this trouble for s—ts and giggles!" Aida actress Mallory Jansen adds, "Never trust an android," as it appears that Aida has a separate agenda from Radcliffe. As for the new S.H.I.E.L.D. Director, actor Jason O'mara teases, "How Mace got his powers, his
