

According to his official website, actor/writer/director Andy Nyman has been cast in Jeff Wadlow's Kick-Ass sequel as The Tumor (Tumour?), one of the members of the super-villain team, The Toxic Mega-C#nts. Nyman may not be very familiar Stateside, but he has starred in movies such as Dead Babies, Severance, and the brilliant E4 horror satire Dead Set. Jeff Wadlow will direct Kick-Ass 2, which will begin shooting this September in Toronto and London. Aaron Johnson, Chloe Grace Moretz and Christopher Mintz-Plasse and Nicholas Cage are all set to return. We still don't know who will play "Mother Russia", but expect a bit of news on that soon enough.
