

The following comes from Swedish website, Nojes Bladet, which is why it may sound a little nonsensical in places due to the translation from Google. Here are the selected excerpts in which the actress briefly discusses her role as Selina Kyle in The Dark Knight Rises. That is when she is asked to compare that role with his next in "The Dark Knight Rises" which she confirms that she accepts cat costume in his first superhero movie. She is more than well aware that the role involves comparisons with Michelle Pfeiffer , Halle Berry and Eartha Kitt . "It makes you work harder, I take a chance not that something may work. But there is a certain satisfaction in that, towards the end of the day did everything." Reports from the film recording confirms that Anne Hathaway hardly been idle. She is reported to have torn down dozens of Catwoman costumes, and she recognizes that
