

ScreenRush got a chance to talk to another star of The Dark Knight Rises set. Find out below what the lovely Anne Hathaway, who will be portraying Selina Kyle/Catwoman, had to say about her preparation for the role and more. Are you happy to be able to finally talk about the movie? I'm happy to be able to talk about the movie as much as I can. Obviously a few secrets are out now so I can discuss certain things, but quite a few things are still under wraps. What is your reaction to the photo getting out on line (get a glimpse here)? I asked people to check it out for me...It's a little over whelming. Can you talk about stepping into the shoes of such an iconic character? A lot of people grew up with Michelle Pfeiffer's Catwoman and Eartha Kitt. How does it feel to be Catwoman? Well the first thing you
