

CNN Entertainment have released a second clip from the behind the scenes look of creating The Red Skull featurette for Captain America: The First Avenger, which will be released next Tuesday. Check it out down below... Thanks to DCMarvelFreshman for the heads up.

Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. The film arrives on Blu-Ray in the US October 25th and December 5th in the UK.
