

Sherlock Holmes has always been the smartest man in the room...until now. There is a new criminal mastermind at large—Professor James Moriarty—and not only is he Holmes' intellectual equal, but his capacity for evil, coupled with a complete lack of conscience, may actually give him an advantage over the renowned detective. When the Crown Prince of Austria is found dead, the evidence, as construed by Inspector Lestrade, points to suicide. But Sherlock Holmes deduces that the prince has been the victim of murder—a murder that is only one piece of a larger and much more portentous puzzle, designed by one Professor Moriarty. Entitled "Oh, How I've missed you Holmes" and featuring Sherlock Holmes (Robert Downey Jr.) and his partner Dr. John Watson (Jude Law), check out the clip courtesy of Total Film below. What do you think of this? Sound off with your thoughts below. Sherlock Holmes: A Game of Shadows is set
