

With it's much-anticipated release approaching, new television ads for Marvel & Joe Johnston's Captain America: The First Avenger film are airing often. In fact, they're airing so often, impatient fans have been able to record the ads and upload them online; even in the poorest quality. With that said, check out the latest low-quality ad below offering fairly brief snippets of new footage. Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. Starring Chris Evans, Sebastian Stan, Tommy Lee Jones, Hayley Atwell, Samuel L. Jackson, Stanley Tucci and Hugo Weaving, the film releases July 22, 2011.
