Another difference in the poster is there is a URL at the bottom of this one. The web site is TheMenInBlackSuitsAreReal.com. If you click the link it takes you to a Facebook page that has been set up with only one post reading, I've uncovered that there's these Men in Black suits who monitor and police alien activity on earth. Up until now no one believes me, so I'm on a mission to prove that they're real and that's why I started this Facebook page.
