

In the distant future, two superpowers control Earth and fight each other for all the solar system's natural resources. When one side dispatches a team to a distant planet to terraform it for human colonization, the team discovers an indigenous race of bio-mechanoid killers. Ridley Scott, director of 'Alien' and 'Blade Runner,' returns to the genre he helped define. With PROMETHEUS, he creates a groundbreaking mythology, in which a team of explorers discover a clue to the origins of mankind on Earth, leading them on a thrilling journey to the darkest corners of the universe. There, they must fight a terrifying battle to save the future of the human race. And below we have a magazine cover for the new issue of Australian movie magazine, FILMINK, featuring Michael Fassbender (David), Noomi Rapace (Elizabeth Shaw) and Charlize Theron (Meredith Vickers): Starring Noomi Rapace, Michael Fassbender, Charlize Theron, Guy Pearce, Idris Elba and Logan Marshall-Green, Prometheus
