Chatting shortly with Collider's 'Frosty', legendary veteran actor Anthony Hopkins speaks on his godly all-father role as Odin, in Marvel's Kenneth Branagh-directed THOR adaption. Based on the footage and what I've seen, it seems very Shakespearian. Did you notice that? Well, it's a big movie. Branagh is extraordinary...how he directed that and put that together I don't know. Well it's about Gods so you have to do a little bit of Shakespeare to play a God. Did you read any of the comics? No. How did you get yourself ready to play Odin as he's such a big character in the Marvel universe? I saw the sets. I saw the designs and what I was going to wear and I went to the studio down in Manhattan beach and saw what they were going to put on me and all that. So when they dressed me up I thought well I'm a
