

The LEGO Batman Movie was a hit at the North American box office this weekend (despite not quite managing to live up to early expectations), and now Warner Bros. Thailand has released the fun musical number which kicked off the animated feature. You can check that out in its entirety below, but if you've been unsure about whether to watch the movie, it could help clue you in on what to expect! In the meantime, you can check out my review of The LEGO Batman Movie by clicking here. We also took a look at the biggest Easter Eggs, including references to the comic books and live-action movies! That can be found by clicking right here. What did you guys think of The LEGO Batman Movie? Did you watch this or John Wick: Chapter 2? As always, sound off with your thoughts in the comments section.
