

--ARNIM ZOLA --> Comic Book History Who is ARNIM ZOLA? Arnim Zola is a brilliant and disturbed scientist. He is able to clone bodies for people and transfer their brain patterns to the new bodies. He was created by Jack Kirby, and made his first appearance in Captain America #208 (April 1977) First Appearance Arnim Zola is considered the first human genetic engineer in history, a biochemist whose knowledge of genetics was enhanced by his study of deviant science. He has no powers of his own but has achieved much through his own technology and ambition. Arnim Zola established a process by which a person could project their mind onto a cloned body. This process allowed Zola to transfer his mind into his current, ESP box headed body. The rogue geneticist, Zola, presented this process to Adolf Hitler and would be successful in transferring Hitler's thoughts to a cloned body, who is now known as the Hate-Monger. Arnim
