

It seems like today is going to be full of "WHA-?!" moments, as Deadline has now revealed that Arnold Schwarzenegger is set to once again play Conan the Barbarian in The Legend Of Conan. He'll reprise the role of the Robert E. Howard creation after first playing the character in 1982. "The original ended with Arnold on the throne as a seasoned warrior, and this is the take of the film we will make," producer Fredrik Malmberg told the site. "It's that Nordic Viking mythic guy who has played the role of king, warrior, soldier and mercenary, and who has bedded more women than anyone, nearing the last cycle of his life. He knows he'll be going to Valhalla, and wants to go out with a good battle." That means they'll be completely disregarding the 1984 sequel that Schwarzenegger starred in AND the 2011 reboot. "This movie picks up Conan where Arnold
