

Vigilante is a popular, albeit somewhat obscure, character from the DC Universe who will make his live-action debut in Arrow next week. Whether or not he'll become a member of Oliver's new team remains to be seen, but the two come to blows in this first look at the episode, and it appears as if the mayor is about to find out that his District Attorney is moonlighting as the city's newest crime fighter. When the bodies of two criminals are dropped at SCPD, Oliver (Stephen Amell) realizes there is a new Vigilante in Star City. The team is split about whether they should stop someone who is helping keep the city safe. Diggle (David Ramsey) is frustrated with his new situation and Thea (Willa Holland) fights for Lance (Paul Blackthorne) who confesses a shocking secret. Meanwhile, in the flashbacks, Oliver finally sits down with Konstantin Kovar (guest star Dolph Lundgren).
