

Between interacting with fans and his many charitable endeavours, Stephen Amell has shown himself over the years to be an all round nice guy. However, that didn't stop someone from approaching the Arrow star over the weekend and attempting to fight the actor...by headbutting him! That's obviously unacceptable, and while Amell explains what happened next, hopefully the authorities were called. How anyone in their right mind could think this was a wise move is hard to say, though you have to hand it to Amell for defusing the situation rather than giving his attacker the beating he probably deserved. It was lucky though that it was just a headbutt and nothing more serious, and with any luck, the vast majority of Arrow fans will know that it's not alright to attempt to fight "the Green Arrow."
