

Talking to Green Arrow TV at the Television Critics Association press tour yesterday, Arrow star Stephen Amell confirmed that Deadshot will appear in the third episode of the series ("Lone Gunmen") and shared his thoughts on how he believes their confrontation will go down.

"Unfavourably, for Deadshot, I would suspect. I can tell you that they are going to be after some of the same people. Oliver does have a code. Obviously, it doesn't include 'no killing,' as we've established so far, but there is a code. I don't think Deadshot it. I don't think he respects his methods, which puts him in Oliver's sights." There's currently no word on who will portray the villain. However, we do know who plays China White in the second episode ("Honor Thy Father"); X-2 actress, Kelly Hu. "It was awesome, man, Amell told the site about working with her on the show. "I had seen
