

It's another 'This Week in Marvel' podcast and this time the fine folks over at Marvel are speaking to the Avengers Executive Producer, Jeremy Latcham. In the 30+ minute chat, we journey from the very start of Marvel Studios all the way to filming the shawarma scene at the New York premier of The Avengers. Some truly insightful discussion going back and forth between Latcham and Marvel Digital Media Group Executive Editorial Director Ryan "Agent M" Penagos and Assistant Editor Marc Strom. I've transcribed a bit of the dialogue from Latcham but there was honestly just too much to cover in one sitting. I fully recommend that you listen all the way through to see just how the Marvel Cinematic Universe came to be and who are the people behind the scenes making it go. On his start at Marvel: Jeremy Latcham: I've been at Marvel, it
