

Without a doubt, the movie's visuals are one of its strongest attributes (not surprisingly, Doctor Strange is one of the 20 official contenders for an Academy Award for Best Visual Effects), but the movie could look much different. A batch of Ryan Lang's (Big Hero 6, Wreck-it Ralph) artworks has surfaced showcasing some new alternate designs. This beautiful collection contains concept art for brawls in The Mirror Dimension and Hong Kong, the astral fight in the hospital, the alternate designs for The Ancient One and Kaecilius and more!
