

From Shawn Sendio I wanna to let you guys know that the avengers movie is shooting in NYC between lexington vanderbilt av. by Grand Central Station starting Friday 9/01 till Sunday 9/03 from 12 am to 5am. The Avengers have filmed at this location twice before. At one point rain put a stop to filming, and the other time was just for second unit shots. Hopefully there will be more action, and a few of our members will see some of the stars of the film. Once again, if you will be in the NYC area and come across anything of interest we'd appreciate it if you would email us at: scoops@comicbookmovie.com.
