

First Australia got Thor first and now they will get to see probably the most awesome collection of superheroes that will ever grace the big screen, over a week before Americans. This is also 2 days before the UK release date of 27 April 2012, making Australia currently the first country that will see The Avengers Assemble. Hey, I guess we're making progress since Thor was released two weeks earlier in Australia. I guess America will slowly catch up to The Land Down-Under as the years pass. Damn Aussies! The Avengers is an upcoming American superhero film produced by Marvel Studios and distributed by Walt Disney Pictures, based upon the Marvel Comics superhero team of the same name. It is part of the Marvel Cinematic Universe, which crosses over several Marvel superhero films including Iron Man (2008), The Incredible Hulk (2008), Iron Man 2 (2010), Thor (2011) and Captain America: The
