

A recent update to the official site for Marvel's much-anticipated Captain America: The First Avenger film has revealed ten awesome new character wallpapers. Offering a new desktop-worthy look at the Howling Commandos, Hydra goons, Bucky, as well the Captain himself, check out the wallpapers below. And be sure to make a click for enlargement.

To get your own "character experience" at the Captain America site, including in-depth bios, click the following image! Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the
