

We were told to expect most of The Dark Knight's gallery of nefarious villains in this movie, and it looks like that was no exaggeration. Warner Bros. has released a new poster for The LEGO Batman Movie, and as you can see it's made up almost entirely of bad guys - though the likes of Wonder Woman, Superman, The Flash and some other Justice League members can be seen in there too. Tell us, are you looking forward to this one? If it's even half as enjoyable as The LEGO Movie, fans should be very pleased. In the irreverent spirit of fun that made The LEGO® Movie a worldwide phenomenon, the self-described leading man of that ensemble—LEGO Batman—stars in his own big-screen adventure. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker's hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to
