

Babylon 5 is an American science fiction television series created, produced and largely written by J. Michael Straczynski. The show centers on a space station named Babylon 5: a focal point for politics, diplomacy, and conflict during the years 2257–2262. With its prominent use of planned story arcs, the series was often described as a "novel for television" - wikipedia
Walter Koenig: He told me that he is in negotiations to re-acquire the rights to Babylon 5 and it looks pretty good. Now what that portends I am not entirely sure. It could be a new series or it could be a feature film, but he was quite animated about it. He seemed very excited and Warner Brothers is dealing with him in good faith. So you might see another Babylon 5 in the not too distant future. Koenig providing some ray of hope for all the Babylon 5 fans. The show
