

Back yet again with another installment in the Baddies That Need Movie Love series. This time, I will be headed to the world of DC comics to a big, bad mamma-jamma that has gone up against some of the greatest heroes like Batman, Superman and Green Lantern/Alan Scott. Back when Christopher Nolan first started production on what is now The Dark Knight Rises, the internet was flooded with speculation as to whom Batman would be facing. We heard rumors of Hugo Strange, The Riddler, Killer Croc among several others. But I was one of the few who was hoping for something a little bit...different. On the surface, Solomon Grundy may seem like a mindless brute; a distraction even, but the character has potential to be a serious threat and an incredible addition to a film. Most people see him as a Batman rogue, but Grundy could function as a Baddie in
