

Shark Tank's Kevin O' Leary has claimed on his Twitter page that he has seen a new Batcave being built for Chris Nolan's final Batman film, The Dark Knight Rises, at MGM Studios in California. However, he wasn't able to take a picture of the building site. Here's what he had to say... Just saw the batcave being built in stage 30 on the MGM lot but they would not let me take a pic for you Its fantastic I'm a huge Batman fan As usual with TDKR news, take the above info with a grain of salt. But if the guy is indeed telling the truth about a Batcave being built for the film, I wonder how it'll appear compared to the version shown in Batman Begins. Be sure to sound off your thoughts in the usual place! Starring Christian Bale, Anne Hathaway, Tom Hardy, Gary Oldman, Michael Caine and Morgan Freeman, The
