

Yesterday we announced our brand new line of Superhero beach towels but that is not the only new line we got in. The same manufacturer that makes the towels also sells really soft blankets. We have both Batman and Superman blankets in queen and twin sizes. They are 100% polyester soft, plushy blanket! Now don't tell anybody, but I've heard around the ward that Two Face has one of these for his twin bed. Hardy-har-har. We have blankets that feature the Batman and Superman symbol as well as action shots of the heroes themselves!
