

Batman: Arkham City is getting closer and closer to appearing in our hands. The game will be released on the xbox 360, PS3 and PC on October 18, 2011. Recently, the folks over at GameRant, caught up with the uber busy Dax Ginn of Rocksteady who revealed that a 4th playable character may soon be announced. According to GameRant, G4TV was able to play a demo of the game at the recent Gamescom 2011 and noticed that there was a space available for a fourth character aside from Batman, Robin, and Catwoman. Dax Ginn "pointed up in the corner and said "Hey! What's that up there?!" and then vanished" but apparently the cat was out of the bag. Now it seems the question is who will the mysterious fourth character be? Batgirl? Talia? Joker? Or maybe, just maybe, that guy fans have been clamoring for ever
