

The Hollywood Reporter reveals that Batman Begins and The Dark Knight topped Blu-ray sales charts for the week ending July 22nd. The two earlier Batman films from Christopher Nolan took the #1 and #2 spots respectively, holding off competition from new release Three Stooges, despite both having been available to buy for a number of years. This is good news for the film after the slightly disappointing \$160.9 million made during the opening weekend of The Dark Knight Rises (it's still a record breaking result, but the tragic shooting in Aurora, Colorado, is believed to have knocked at least \$20 million off its predicted total). Thanks to The Telegraph, we also have the following video of Christian Bale (Bruce Wayne/Batman) visiting those affected by the actions of gunman James Holmes during a midnight screening of the threequel last week. Warner Bros. Pictures' and Legendary Pictures' "The Dark Knight Rises" is the epic
