

1997's Batman & Robin was directed by Joel Schumacher. It was a success at the box office, earning \$238 million worldwide on a budget of \$125 million. Incredibly negative response from critics and fans forced Warner Brothers to cancel plans for a fifth Batman, "Batman Triumphant". One of the many issues with the film was the poor acting performance given by Alicia Silverstone. She was still riding high on the success of her enjoyable performance as Cher in Clueless, when she signed to be Barbara Gordon/Batgirl. She was actually so teeth grittingly bad that she won a Razzie Award for Worst Supporting Actress. If you watched the movie and felt as though Batgirl didn't have a whole lot of scenes, than you had a good reason to feel that way. Sadly the actress happened to gain weight during filming and many of her scenes had to be cut for the sake of
