

Peter Berg (Hancock) produces and directs Battleship, an epic-scaled action-adventure that unfolds across the seas, in the skies and over land as our planet fights for survival against a superior force. Inspired by Hasbro's classic naval combat game, Battleship stars Taylor Kitsch as Lt. Alex Hopper, a Naval officer assigned to the USS John Paul Jones; Brooklyn Decker as Sam Shane, a physical therapist and Hopper's fiancée; Alexander Skarsgard as Hopper's older brother, Stone, Commanding Officer of the USS Sampson; Rihanna as Petty Officer Raikes, Hopper's crewmate and a weapons specialist on the USS John Paul Jones; and international superstar Liam Neeson as Hopper and Stone's superior (and Sam's father), Admiral Shane. There is no denying that this looks visually incredible, and all I expect from this film is just pure fun, nothing more. Hopefully it will deliver on those levels. Battleship is set to hit theatres on May 18, 2012.
