

Once again, the many contributors here at CBM crammed themselves into the chat room for this week's Beat Galactus Quiz. We had over 50 people once again, and as always, a fierce battle of wits took place. Anyone who is looking for a new internet provider needs to talk with Zack1991 as he took home the prize. The kids answered with lightening-fast speed. He will be the recipient of a Galactus Box of Wonders as well as a t-shirt from the generous old man man of SOAL, Gusto, who sponsored the quiz. As I mention in the previous quiz rundown, I am human, and I do make mistakes and I will also acknowledge them when I do. I learned a few things today during the quiz and I thank those who were so generous to point that out! Despite my diligent research, you, the real fans were able to the correct answers for
