

We should be getting a final trailer for Beauty and The Beast any day now, but in the meantime Disney has released the batch of character banners below. They give us new looks the entire cast, including the villainous Gaston, the palace staff in human form alongside their more animated incarnations, and our first official glimpse of Dan Stevens' character before he became the cursed creature of the title. There's also motion poster versions of these banners, which you can check out [HERE](#).

Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience, staying true to the original music while updating the score with several new songs. "Beauty and the Beast" is the fantastic journey of Belle, a bright, beautiful and independent young woman who is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and
