

As the March release of Disney's Beauty and The Beast draws nearer, promotion for the live-action retelling of the animated classic has kicked up a notch. Following a new poster and last night's Golden Globes TV spot, we have this new look at Belle (Emma Watson) as she graces the cover of the latest issue of Total Film. Watson actually debuted the image herself earlier today. Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience, staying true to the original music while updating the score with several new songs. "Beauty and the Beast" is the fantastic journey of Belle, a bright, beautiful and independent young woman who is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realize the kind heart and soul of
