

USA Today has gotten a hold of a brand new behind the scenes featurette from Cartoon Network's Green Lantern The Animated Series. The featurette takes us behind the scenes with a few of the voice actors from the series. In the video the actors talk about how they came up with the voices for their characters. The most interesting one came from Kevin Michael Richardson who says he used a cross between a Brooklyn, NY accent with The Thing from The Fantastic Four. Check the video out below. Green Lantern The Animated Series stars the voice talents of Josh Keaton, Kevin Michael Richardson, Grey DeLisle, and airs on Cartoon Network Saturday's at 10:00 A.M.
