

The first official trailer for Disney's Beauty and the Beast remake landed a few weeks ago, astounding many with its visuals and reinterpretation of the classic characters, along with smashing records for having the most trailer views in 24 hours. Now, a new international trailer has arrived online, and while it contains a lot of what we've seen in the previous two trailers, there are some new scenes, including a few new shots of the Beast's castle, an extended look at the snowy garden scene, and the Beast revealing his library to an awestruck Belle. Check the trailer out below! Beauty and the Beast invites you to be its guest on March 17, 2017. Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience, staying true to the original music while updating the score with several new songs. "Beauty and the Beast" is the
