

Source: Collider The fine folks over at Collider recently had the opportunity to sprinkle in some questions about Peter Jackson's adaption of the fantasy classic, The Hobbit to actor Benedict Cumberbatch; who will be voicing the dragon Smaug. Here's the brief video and transcript.

Collider: So what's it like to voice Smaug in The Hobbit? Cumberbatch: "I'm playing Smaug, I mean I'm physicalizing him as a dragon I'm not just doing the voiceover, so it'll be a physical role which I'm no stranger to. I did Frankenstein at the beginning of the year with Danny Boyle at the National Theater and playing the creature in that was a very full on and sort of corporeal experience. I can't wait, but the conversations have yet to start really in earnest because they've been doing the first film and I've been doing the second series of Sherlock and another series which
