

Not so unexpected, but still good to know if you wanna save some money this summer blockbuster season. Get either \$10 in movie cash when you buy any previous Spider-Man title on blu-ray (\$9.99 each), or \$5 in Movie cash when you buy Batman Begins or The Dark Knight on blu-ray (\$9.99 each). Also, if you enjoyed this year's comedy film incarnation of the classic 1980's TV hit, 21 Jump Street, when you buy the blu-ray edition at Best Buy, you can get an exclusive whistle AND bottle opener! Nifty! Great marketing tactic, Best Buy! Can't wait to get my hands on that amazing exclusive item! Makes me wanna run right out there and get it right now!
