

I stumbled across this cool fan made Captain America video The Fighting Avenger at Comic Alliance. As a bonus to the video, Comics Alliance recently talked with director and co-writer Julian Higgins. The film was made by Wayside Creations for Indy Mogul's War Movie Month Contest. Why Captain America? I know that this was done as a test film for the War Movie Month contest at Indy Mogul. And it's also a character a lot of fans are getting excited about seeing in a big summer action film later in the year. But was there any other special reason for picking Cap as a figure to build a larger story and cast of characters around? I've always been a bit of a WWII history buff, myself. The history, the literature, the movies. I even did some WWII reenacting as a hobby back in high school. So when we decided to do
