

Over at the forums of SuperHeroHype, a user by the name of Dekard has posted fairly plausible descriptions of scenes screened for this summer's much-anticipated film, The Avengers. The scenes apparently featured Russian spy Black Widow, the Incredible Hulk, and one of the team's base of operation, the S.H.I.E.L.D. Helicarrier. Having personal reasons to find what's offered up legit, myself, the user sources the material being shown at a toy fair in Asia (likely The Hong Kong Toys & Games Fair). Without further ado, observe the light spoilers below! I wanted to share some interesting things I found out at work today on the Avengers. I work for a pretty big toy company (not Hasbro) and we have the Marvel license. One of my co-workers just got back from a trip from Asia for the toy fair there. Marvel and Disney presented whole scenes and then some clips. Here is what
