

In 1979 in the fictional town of Lillian, Ohio a group of teenagers are making a movie with a Super 8 mm film camera when they witness a train crash. They suspect it was not an accident. There are disappearances and unexplained events around town, and the local deputy investigates the cause of the events leading to the discovery of something inhuman. Super 8 will be released on Blu-ray and DVD on November 22, 2011!
