

While their remake of The Jungle Book only utilized two songs from the original animated film, Disney doesn't look to be shying away from any of the classic songs from Beauty and the Beast. Last week, we saw a brief preview of "Gaston", as sung by Luke Evans and Josh Gad, and we now have a short clip of the film's opening song, "Belle", performed by star Emma Watson and the townsfolk. Check the clip out below, along with a new TV spot which puts the spotlight on The Beast (Dan Stevens) and his etiquette! Beauty and the Beast invites you into theatres on March 17, 2017. Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience, staying true to the original music while updating the score with several new songs. "Beauty and the Beast" is the fantastic journey of Belle, a bright, beautiful
